Baldernock Trust –

Better Broadband for Baldernock - Twenty-seven addresses in Baldernock can now order a full fibre service as a result of our Community Fibre Partnership, and hundreds more are set to join that list over the summer months. As soon as a property can access the upgraded network the Openreach team will be in touch with voucher holders to encourage them to order a full fibre service according to the terms and conditions of their voucher pledge. Once that full fibre service is installed, the UK Government (DCMS) will ask the voucher holder to confirm they have an active service within the property. Please make sure you complete this final step. Please keep an eye on the Baldernock website Broadband page

Keep an eye on the Baldernock website Broadband page (<https://www.baldernock.org.uk/broadband>) for updates. Once the project is complete, every home and business included in the Community Fibre Partnership – detailed and listed here – will be able to connect to the new network and obtain all the benefits of full fibre broadband. If you have any questions about the project, please contact Lesley at lesley.wiseman@hotmail.com who can raise queries with Openreach on your behalf.

Baldernock Primary School - Our 150th Celebration is fast approaching and we are looking forward to seeing everyone on the 9th June.

Below is an outline of the evening.

School will be open from 5.00.p.m.

There will be speeches at 6.00.p.m.

The children will be in classrooms from 6.00.p.m. for a short presentation to parents, friends and family.

This will be standing room only.

There will be standing room only.

Once the presentations are over we will all move outside where the whole school are performing a percussion ensemble.

After this there will be time to move around the school to look at the changes that have taken place over the years.

There will be no access To classrooms etc. after 7.00.p.m. apart from accessing toilets at the rear of the main building. This will be signposted.

A buffet will be served in the garden from 7.00.p.m. and this will be a great opportunity to catch up with friends and family.

Mr Gemmell who owns the field at the back of the school has very kindly agreed to us using it as a car park. This will keep congestion to a minimum. We will stick to the one way system currently in operation whereby we arrive from the Craigmaddie end of the community and leave by Tower Road.

Children will not be allowed in the car park unless supervised.

If you are intending on coming to our celebration and have not already done so could you contact the office on 0141 955 2341 and leave your name and numbers attending. We need this to ensure we cater for enough people.
