

**Covid-19 (Coronavirus).** The primary purpose of the following email is to provide a contact point for those who may need assistance or encouragement at this time. We also offer some hopefully helpful suggestions to those who are already aware of neighbours and those vulnerable in the community.

Please use the Baldernock Community Council email [baldernockcc@gmail.com](mailto:baldernockcc@gmail.com) as a means of communication. We are also aware that not all have access to the internet and therefore at present Celia Burns (Secretary of Baldernock Community Council) is happy to be another contact phone number in the community. 01360 620220. It is encouraging to see the response of many communities to the present crises and we enclose a possible helpful example of a note you may wish to use with neighbours and others. Even this morning we have become aware of groups forming in the area to help others and hopefully we can co-ordinate our efforts in the future weeks. If you are involved in any of those please let us know.

The BCDT trust event on the 27<sup>th</sup> and the Baldernock Childcare event on the 28<sup>th</sup> have both been cancelled and we will keep you up to date with other notices.

We are especially grateful to those in our community who work in the NHS and related services, police, clergy, transport, Local Authority, delivery drivers, cleaners and many others on whose work we all rely.
