Baldernock Easter day Service 2026, outdoors with almost 50 in attendance.

One of the sad reflections of COVID was being unable to worship within the Kirk, and yet, it stimulated us to ensure that Baldernock remained open for worship thereafter. Easter service 2026, and the Rev Lynsey led our service outdoors to show passers-by that we are still very much open and worshipping here. The service was held in bright sunshine although it was bookended with rain, wind, hailstones and snow - Baldernock is indeed blessed!
